The 16th KIPS International Conference on
Ubiquitous Information Technologies and Applications
http://cute-conference.org/2022/

CUTE 2022
_____
Dec. 19-21, 2022, Vientiane, Laos

Introduction

The 16th KIPS International Conference on Ubiquitous Information Technologies and Applications (CUTE 2022) will be held on Dec. 19 - 21, 2022, Vientiane, Laos. The purpose of the CUTE 2022 is to promote discussion and interaction among academics, researchers and professionals in the field of ubiquitous computing technologies. This conference provides an international forum for the presentation and showcase of recent advances on various aspects of ubiquitous computing. It will reflect the state-of-the-art of the computational methods, involving theory, algorithm, numerical simulation, error and uncertainty analysis and/or novel application of new processing techniques in engineering, science, and other disciplines related to ubiquitous computing. In this conference, several topics on the specific themes for intensive discussions are also planned according to the areas of interest.

Important date

Submission Due: **Oct. 10, 2022 (Regular)**

Author Notification: Oct. 31, 2022

Conference Date: Dec. 19-21, 2022

Publication & Special Issue

All accepted papers will be published by conference USB proceeding (without ISSN/ISBN).

After closing conference, accepted and presented papers will be recommended to

- Special Issues of the Intl' Journals indexed by SCIE/SCOPUS (20%)

(more will be added)
